DH 6225 Ear Clip Headphone

DH 6225 Ear Clip Headphone

- Adjustable ear hook
- Lightweight
- Comfortable

Description

The DH 6225 is a light weight ear clip headphone for use where a delegate wants to listen to the interpreted language and at the same time, listen to the direct floor sound.

The headphone is extremely flexible and is comfortable to use, even during long meetings.

The ear clip headphone can be used with either left or right ear.

Features

The DH 6225 has the following standard features:

- 'Ear hook' style with a comfortable fit, while it stays in place
- Polycarbonate components for maximum durability
- 90 degree stereo mini-jack
